Descriere

Tava portbagaj Renault Megane III 3/5 usi HB , an fabricatie 2009-
Tava portbagaj fabricata din polietilena termoformata cu un model cu nervuri prevazuta in mijloc cu suprafata antiderapanta pentru a preveni deplasarea bagajelor in timpul calatoriei.
Tava de portbagaj urmareste forma portbagajului si are o margine inalta de 4,5 cm care impiedica scurgerea lichidelor si a murdariei.
Aceasta tava de portbagaj este usor de curatat, fara miros ,rezistenta la temperaturi variate.
Tavile de portbagaj sunt rezistente la apa , ulei si carburanti.
